

Tan na tan da ra...  
Raat ke dhaayi baje koyi shehnaayi baje  
Dil ka baajaar laga dhela tak paayi baje  
Dil ka baajaar laga dhela tak paayi baje  
Chauke chauke chauke se  
Khoye khoye se hum  
Aankhein dubi dubi si,  
Soye soye se hum  
Dil ne kaisi durgat ki o  
O pehali baar mohabbat ki hai  
Aji aakhari baar mohabbat ki hai  
Pehali baar mohabbat ki hai,  
Aakhari baar mohabbat ki hai  
Jaan hateli upar leli  
Jaanu kaisiharkat ki hai

Aji pehali baar mohabbat ki hai,  
Aakhari baar mohabbat ki hai

Ishq mein chalate huye saans tejaabi lage  
Raaj khulata hi nahi koyi toh chaabi lage  
Raaj khulata hi nahi koyi toh chaabi lage  
Ishq mein chalate huye saans tejaabi lage  
Saans tejaabi lage ishq mein chalate huye  
Ho chikne chikne lachchhe hai,  
Reshami se fande  
Chupadi chupadi baaton  
Mein bhole bhaale bande  
Tanhaayi mein fursat di hai  
Are pehali baar mohabbat...ki hai  
Aji aakhari baar mohabbat ki hai  
Pehali baar mohabbat ki hai,  
Ho o o aakhari baar mohabbat ki hai

Aisa huwa jaisa hota toh nahi  
Thaam ke rakha mujhe  
Main bhi khota toh nahi  
Ek hi lat suljhaane mein  
Saari raat gujaari  
Jaan ki gathari sar pe le li

Aapne kaisi jehmat di haay  
Are pehali baar mohabbat ki hai,  
Aji aakhari baar mohabbat ki hai  
Pehali baar mohabbat ki hai  
Tan na tan da ra...
