

Raave Ika Priya Bhamini Lyrics

Raave ika priya bhaamini kathe vine
Neeve nayaname choodani andaani ve

Neevu kolanulo kaluvala
Hrudini dochavugaa
Mari nenu shashivale vethika
Asalu cheredela

Diginavo eda paina vaalaga
Are o thaara nevenule haa

Samaram saage velallo
Hrudayam karaga saagenugaa
Nidure chedire kshananaa
Kalale kudipe nannena

Raave ika priya bhaamini kathe vine
Neeve nayaname choodani andaane ve

Thagina jodi ani thelise le
Tana pore choosi kalisale
Thanuvu chanuvu mari thirigele
Tharuvathe nenu karigale

He gundelo naa antelene mohame
Thana kanulatho kaligina vainame
Ha kotalaina kollagotte thejame
Are churukuga kadiledi vegame

Are nede pranayaala veduke
Naa praanalu neemeedane

Samaram saage velallo
Hrudayam karaga saagenugaa
Nidure chedire kshananaa
