

Rab nu main aakhan mera yaar mod de,
Tuttiyan ne reetan eh fir jod de,
Rab nu main aakhan mera yaar mod de,
Tuttiyan ne reetan eh fir jod de,

Ohde ishq ch aabaad main,
Ohde ishq ch barbaad main,
Ohde ishq ch aabaad main,
Ohde ishq ch barbaad main,

Rab nu main aakhan mera yaar mod de,
Tuttiyan ne reetan eh fir jod de,
Rab nu main aakhan mera yaar mod de,
Tuttiyan ne reetan eh fir jod de,

Kamli ji hogayi sajna main tere bin,
Katdiyan ne raatan taare gin gin,
Sutiyan na akhaan haaye kinne chir ho gaye,
Sukde na hanju te haase mere kho gaye,

Ohde ishq ch aabaad main,
Ohde ishq ch barbaad main,

Khed khed main ishq de aukhe sajna samajh naa aave,
Pai sajda main rabba tere yaar na labhda ve,

Rab nu main aakhan mera yaar mod de,
Tuttiyan ne reetan eh fir jod de,
Rab nu main aakhan dildar mod de,
Tuttiyan ne reetan eh fir jod de,

Rab nu main aakhan mera yaar mod de,
Tuttiyan ne reetan eh fir jod de..
