---

Radhe radhe... vasantha radhe  
Thedunnaare thaarage  
Kaathirikkayo oraaline nee  
Paavam paavam gopike

Raavayallo kaadinullil  
Thaane nilkkayo  
Arudharuthe nee thengidalle  
Neram vaikiyo

Radhe radhe vasantha radhe  
Thedunnare tharake  
Kaathirikkayo oraaline nee  
Paavam paavam gopike

Raavayallo kaadinullil  
Thaane nilkkayo  
Arutharudhe nee thengidalle  
Neram vaikiyo

Kaadinnullil kurunaripulikal  
Karadikal idayum... Kaduva koottam  
Nerevannaal orunjodi kandaal  
Apakadam aanennariyu radhe

Govindan ithuvazhiye  
Vannu cheraan enthu thaamasam  
Raavaayi kannil  
Kooriruttaavunnu nee thaniche

Kodakkaaril, kodakkaaril moodidunne  
Kaadaay aakasham  
Ee vazhiyoram

Neram vaikiyo

Chanchalamaake.... Chadulamodarike  
Avananayukaye padaporuthukaye  
Chenkanalaaye ninnuyir kaakkaan  
Thirayidum urumiyo avan anayukaye

Kaadinnullil kurunaripulikal  
Karadikal idayum... Kaduva koottam  
Nerevannaal orunjodi kandaal  
Apakadam aanennariyu radhe.
