

Sabse haseen hai
Sabse juda hai
Woh dekho meri jaan
Pyaar ke liye hi duniya bani hai
Pyaar ka mila inaam
Raghupati raghav

Raghupati raghav raja ram
Raghupati raghav raja ram
Non stop party aaj ki party
Celebrations tere naam

Raghupati raghav raja ram
Raghupati raghav raja ram
Non stop party aaj ki party
Celebrations tere naam

Raghupati raghav raja ram
Raghupati raghav raja ram
Raghupati raaghav raaghav

Kya raat hai kya baat hai
Meri zindagi mere saath hai
Na chain hai na hosh hai
Har aarzo madhosh hai

Maangi dua jo kabhi
Tere mere lab ne
Jaane tamanna use
Poori ki hai rab ne
Kaise karoon main shukriya
Raghupati raghav
Raghupati raghav

Raghupati raghav raja ram
Raghupati raghav raja ram
Non-stop party party
Aaj ki party party
Celebrations tere naam
Raghupati raghav raja ram
Raghupati raghav raja ram

Na na na na
Nana nana

Rango se bhi rangeen hai
Yeh pal bada namkeen hai
Phir yeh sama na aayega
Phir yeh nasha na chayega
Raina bhi khwabon ke
Charago se saji hai
Mere khayalon mein
Bhi dhoom machi hai
Beheke hue hain armaan

Hola amigo hola amigo
Hola amigo sabko salaam
Hola amigo sabko salaam

Raghupati raghav raja ram
Raghupati raghav raja ram
Raghupati raghav raja ram
Raghupati raghav raja ram
Non-stop party party
Aaj ki party party
Celebrations tere naam
Raghupati raghav raja ram
Raghupati raghav

Raghupati raghav
Raghupati raghav
Raghav raghav raghav.
