

Rai Rai Lyrics

Bayigittare baadam peda
Tutigittare thuppada koda
Mudi myagina mallige noda

Kailittare reshme koda
Kivi kottare kogile haada
Manasotre mungaru moda
Preethi noda

Karamballiya kachaguli
Agumbeya chilipili
Sahyadri ya sobagali
Prema purana

Jogada jogula
Kaveriya jula jula
Malenada madilu e
Preethi prayana

Rai rai rai rai rai rai rai
E preethi shane majavagataiti
Rai rai rai rai m rai rai rai rai
Etiyada eli adike atiyagataiti

Khara sahkara
Bittu baara banduku
Chora chitra chora
Mugulnageya sahi haaku

Manasu mana baara
Hridaya gambira
Nadesu preethiya oprationnu
Olave omkara madhura jenkara
Eduve illina educationnu

Dhareyannu garatiya
Doreyaagi neenalu ba

Rai rai rai rai Rai rai rai rai
