

Raja Aur Sipahi Lyrics

Haan mujhe kyun lagta hai aise
Ke jaise main body is covered in ice
And why do i keep dropping classics?
Classics jo age ho rahe jaise ho wine

And why do i keep taking chances?
Chances when everything's looking so nice
And why am i switching this accents?
'cause i like to do it once or twice

My life is like two different movies
Ek mein main raja aur ek mein sipahi
Dono hi kaafi exclusive
Ye har koi nahi jee sakta kar sakta bhai

And sometimes i sleep in jacuzzi
Just to remember hum kahaan se hain aaye
Sabke hain apne tareeke
You gotta try it once or twice once or twice

Kisi ne bhi mujhe na batai
Kaise meri sambhalegi chhaai
Kaise munh pe aayegi sachchai
Kaise mere paltenge bhai

Kab ho burai aur kaise ho achhai
Jab asli baat kabhi nahi batai
Main bhi bit na sambhaloon
Chhodo tension mein sota odhe ghar pe razai

Fuck 'em all fuck 'em all fuck 'em all
Mera dil hai dukhta boloon fuck 'em all
Aur mere bhaichare ka proof na maango
You don't deserve it all

Ab main apne mein thoda sa zyada rehta hoon
Ab main apne dil ki bhi sun hi leta hoon
My eyes on prize circle hai chhota
Keeping it real keeping it nice

Khud se banaya my paradise
Ab tujhko bata doon main true shit
Jab ghar pe mehnat ki tu laayega kamaai
Jab karega madad kisi ki
Toh karte waqt zyada na sochiyo bhai

Jo hona woh hoke rahega
Aur tu ye palat nahi sakega sachchai
Jo dega wahi toh milega
Hum yahaan tak aise nahi pahunche hain bhai

My life is like two different movies
Ek mein main raja aur ek mein sipahi
Dono hi fucking expensive
Ye har koi nahi hans ke khareed sakta bhai

And sometimes i sleep on the floor

You should try a few things once or twice
Kabhi fire kabhi ice
Tere khwaab meri life
Man get the fuck outta here
