

Raja beti kekraala
Goonthloo tu rachirachi
Chunachun phoolan ke haar
Ihaa aao chupakese
Kaaname bataau tohe
Bolu naa main batiyaa pukaar
Raja betaa, kekaratu
Sapanaa dekhhal nit
Jaage adhajaage harabaar

Ihaa aao rase rase
Geetame sunaau tohe
Bolu naa main batiyaa pukaar
U hoon, raja beti nahi jaayegi kisike
Thaur, hase laagi gaavake gavaar
U hoon, haathakagan na
Gale motimaal sohai,
Joothe raajabetike gohaar

Phoolanake haar par
Haar haar jaaye laakho
Ratan o moti balihaar

Kaune mol deu sakhi
Hiyaraake harabaatu
Manawaa je chaahe hamaar
Manawaakaa chaahe tor
Maname jo naache mor
Aaw kahu kaaname tohaar
U hoon tum durase hi
Geetame sunaao hame
Naahi ab hogi taqaraar.
