---

90 kille road te koi dekhe gal modke  
Ve adha kilo iron tu rakhe dashboard te  
Landra je laarde aa 35 kille wajre  
Ve sitko te ghumde oh laake tussi chaadre

Khul de na aap assi khol dinde wakhiyan  
Shaklan ta thande te taseeran full tattiyān  
Sirre diya runa saanu chaldi aa pakiyan  
Hundi deshna je ankh pichhe la lainde yekiyan

Aundiyan ne pichhe assi aap nahiyo pattiyan  
O moddeya te pakiyan te pattde vi pakiyan

Naa areach uttey jattan vaili tere match de  
Ho rajiname hunde mittran di gadi wekh ke  
Ho rajiname hunde mittran di gadi

Ho karke tu kaand appe naba kare choose ve  
Ho jailan wich ponch jande gucci waale shoe ne

Ho choose kitta jatta tainu lakhan wich chun ke  
Pat dita jatt paake guna wich chun ke  
Ho tere naal add de jo painde phir daat hi

Luck tera jattiye je rode da plot ni  
Luck tera jattiye je rode da plot ni

Kar dina kaand jo sajda ni jan te  
Din ch chadhayi chal chano tere chann ne  
Bottle'aan diggi chon laindi athne je chuk ne  
Ho yaaran nu ne yaar jivein maasiyan de putt ne
