

Ram ram ali ali..
Ram ram ali ali..
Ram ram ali ali..

Man mein hai bas tu hi tu
Aankhon mein tera jalwa
Kashi kaba mein kya dhoondu
Kya tu ram kya tu allah
Allah... allah...

Kaun tu tera naam kya
Kya hai majhab kya jubaan
Kya hai teri sarhad
Ye zameen ya woh aasman
Chahat hai tu hi ibbadat hai tu
Masjid shivalo mein phir kaid hai kyun
Tu toh wahi hai jo mein chaahu
Manu toh allah naa manu toh kuch bhi nahi

Yeh deewanagi, hai bas naam ki
Socho toh sahi
Kya ram ram, kya ali ali
Phir yeh zindagi hai kya kaam ki
Jo samjha nahi
Kya ram ram, kya ali ali
Kya ram ram, kya ali ali

Kya tu yeh hai ye sochta
Kaisa hai tera yeh jahaan o..
Sahan o dil kyun tune diye
Inn se main kya kiya
Rooh tu rooh tu
Chaaron su tu
Phir bhi dar dar main tujhko hi dhoondu
Kashmkash hai, kya tu sach hai
Manu toh ishwar naa manu toh bhoot hai

Yeh deewanagi hai bas naam ki
Socho toh sahi
Kya ram ram, kya ali ali
Sab mein hai wohi, sab kuch hai wohi

Badla naam hi
Kya ram ram, kya ali ali
Kya ram ram, kya ali ali

Ram ram ali ali...

Yeh duniya woh jannat
Jo khuda ko khud mein paayein
Ye majhab ye sarhad
Insaan ke bharam sab
Ye deewarein kab tak ho kab tak paraye
Toh jaan le, pehchaan le

Rab ke hum sab bande hain

Rab hai ram aur ali bhi
Oh hooo...
Sabse unchi mohabbat hai
Mane toh insaan naa mane hai ajnabi

Yeh deewanagi hai bas naam ki
Socho toh sahi
Kaafir zindagi hai kis kaam ki
Jo samjha nahi
Yeh deewanagi hai kuch bhi nahi
Kaafir zindagi hai kis kaam ki
Jo samjha nahi
Kya ram ram kya ali ali
Sab mein hai wohi
Woh ram ram woh ali ali

Sab kuch hai wohi, sab mein hai wohi
Badla naam hi
Woh ram ram.. woh ali ali
Sab kuch hai wohi, sab mein hai wohi
Badla naam hi
Woh ram ram woh ali ali
Woh ram ram woh ali ali...
