

Aaaa..aaa..aaa..

Aaaa..

Aaaa..

Aaaa..

Raam naaraayan baaja bajaata
Jhoom jhoom jhoom jhoom thumaka lagaata
Sab logon ka dil bahalaata
Sab logon ka dil bahalaata re
Raam naaraayan baaja bajaata
Jhoom jhoom jhoom jhoom thumaka lagaata

Vo kisi shokh nadi ki hai ravaani dekho
Mere mahaboob ki madamast javaani dekho
Ja ke ulajha main anaadi jo usake jhumake se
Vo mujhe loot gai maar gai thumake se
Ho bambai hile,

Dilli hile,

Kalakatta hilela ,

Ki usaki lachake jab kamariya to saari duniya hilela

Raam naaraayan baaja bajaata
Jhoom jhoom jhoom jhoom thumaka lagaata
Sab logon ka dil bahalaata
Sab logon ka dil bahalaata re
Raam naaraayan baaja bajaata
Jhoom jhoom jhoom jhoom thumaka lagaata

Yaar aankhon mein naya khvaab adhoora laaya
Leke haathon mein apana taan tamboora laaya
Chhed ke saaj naye geet bana deta hoon

Chhori kaisi bhi ho main usako pata leta hoon

He chali ri sajani sajan ghar ji ho jiya ab na jala

Ab na jala jiya ab na jala

Ab na jala jiya ab na jala

Doli kab leke aaon main ho dilajaani bata

Raam naaraayan baaja bajaata
