Manalone daivam daagundi
Nadipinche deepam taanadi
Mana dhaare maari pothunte
Dari jerche guruve thaanaindi

Guruvante ammele bhoomi paina brahmele
Thanu thoduga unnte roju kottha janmele
Guruvante ammele bhoomi paina brahmele
Thanu thoduga unnte roju kottha janmele

Prayamocchi paagaa vese paduchu kotalo

Dhoosukuntu ennu ennu aashalochina
Aagamtu adupe cheyaali

Paggamesi aapestunte prayamaaguna
Manasuloni ashe marena
Maruthunna kaalam thune maarakundaga
Ninna laage nedu undaala

Parugaapeyaa antaana
Etuvai choodu konthalna
Kalakaane kaadu jeevitame
Valalannni dhaati saagatame

Grahanaalu unnavigaa
Saage soorya chandulake
Avi daati vacchaa

Anni kaanthi chandrikale
