

Toh bhola siya pati  
Ramchandra maharaj ki jai  
Pavan sut hanuman ki jai  
Jai ho

Suno suno ram katha yeh  
Har legi sakal vyatha yeh  
Dashrath ke sukh ki gaatha  
Purshon mein jo uttam tha

Suno suno suno woh adhyaye  
Jab purshottam shri ram ne  
Lanka pe kar ke chadayi  
Raavan ko dhool chatayi  
Aur sita bhi wapas aayi

Suno suno suno sunaun  
Kalyug mein satyug darshaun  
Subh subh subh sandesh sunaun  
Ram-siya ke gun main gaaun

Suno suno ram katha yeh  
Har legi sakal vyatha yeh  
Dashrath ke sukh ki gaatha  
Purshon mein jo uttam tha

Purshottam ram jagat ke  
Pavan putra ram bhakat the  
Lacchman the dhaal se bhaari  
Lanka pe hui chadayi  
Phir ram ji ne apni  
Ardhangani mata sita ko paaya

Purshottam ram jagat ke  
Pavan putra ram bhakat the  
Lacchman the dhaal se bhaari  
Lanka pe hui chadayi  
Toh bolo siya pati  
Ram chandra maharaj ki jai

Lanka pe lankesh hara ke

Dekh teer shamseeron se  
Chale ayodhya ram palat ke  
Veeron se randheeron se

Adhron pe muskaan dhari  
Bhuja mein apni maan bhara  
Jai jai jai ram hui  
Aur lanka mein lankesh mara

Ram chale toh sevak  
Bratha saath chale  
Gaaon gaaon mein  
Ram-siya ki baat chale  
Jahan jahan se  
Ram ki sena guzar rahi  
Umad gumad ke  
Jungle aaye aaj wahin

Shor machaye jashn manaye  
Ram-siya ke darshan paaye  
Jai jai jai jaikal bulaayein  
Pag pag pe deep jalayein

Arrey suno suno ram katha yeh  
Har legi sakal vyatha yeh  
Bharatlyrics.com  
Dashrath ke sukh ki gaatha  
Purshon mein jo uttam tha

Aur us ke baad sab mil kar  
Ayodhya laut aaye

Khushi ke palchin uss pal beetay  
Ek murkh jab bola aise  
Ram hain keval  
Lanka jeetay, lanka jeetay  
Kya paaya hai sita ko  
Ram ne paawan  
Kya pawanta ko bhang  
Kar gaya paapi raavan

Ram yeh sun ke reh gaye  
Mann se reetay reetay  
Agni pariksha de  
Do bole paawan sitey  
Agni pariksha  
Asur dhara ne manwa seencha  
Sita ne di agan pariksha

Achhayi ki jeet sunischi hoti hai  
Sachaayi hi sabse menhga moti hai  
Hua daam ko tha sir neecha  
Safal ho gayi agan pariksha  
Arrey safal ho gayi agan pariksha

Gad gad ho ram yun bole  
Paawan se bhed yun khole  
Satya aur prem kabhi na  
Mrityu ke aagey dole

Suno suno ram katha yeh  
Har legi sakal vyatha yeh  
Dashrath ke sukh ki gaatha  
Purshon mein jo uttam tha  
Toh bolo siya pati  
Ramchandra maharaj ki jai  
Pawan sut hanuman ki jai, jai ho.
