Ranavihaara Lyrics

Buyi buyi buyi buyi buyire
Ulagamu vanike teere
Buyi buyi buyi buyi buyire
Ulagamu vanike teere
Usurunu kasire hore jaatare

Buyi buyi buyi buyi buyire
Urukulu pedite pore
Ulimonalaku pola maare baadhare

Gira gira tirugu bhoomi aa parugulu tadabadi bhayamu utti kadale
Sura sura suruku laapi sura golamu kada kada manuju ulikipadale
Kata kata gutaka leyu penu cheekati vela vela velugu ekkadanele
Sara sara marugutunna oka kiranamu rana rangamuna chikkabadale

Dhana dhana dhana adunu kani vini chese yuddham neggutundaa?
Ghana ghana ghana shabdamula jona nishshabdhamto odutundaa?
Nippula uppena musirese vecchani netthuru kasirese
