

Rung layi hai mohabbat  
Hai deewana saara jaya  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha  
Rung layi hai mohabbat  
Hai deewana saara jaha  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha

Ab to shole lapakne lage hai  
Mere arman behkane lage hai  
Pyaas dharti ko lagne lagi hai  
Aur badal baras ne lage hai  
Ab to shole lapakne lage hai  
Mere arman behkane lage hai  
Pyaas dharti ko lagne lagi hai  
Aur badal baras ne lage hai  
Gungunati hai tarane  
Aaj ye thandi hawa  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha

Yu shararat se mat mushkurao  
Na nigaho se bijli girao  
Pyar aisa hi hota hai jaana  
Tum mere aur bhi paas aao  
Yu shararat se mat mushkurao  
Na nigaho se bijli girao  
Pyar aisa hi hota hai jaana  
Tum mere aur bhi paas aao  
Main teri hu tu mera hai  
Tu jaha hai main bhi waha  
Mastiya hai rut jawa hai  
Hosh hum ko hai kaha
