Rang le aayenge ruup le ayenge
Kaagaz ke phuul phuul are phuul
Kushbu kahaan se layenge

Main kya zamaana kahata hai sara
Patthar nahin ban sakata sitara
Baithe hain kaise maasuum banake
Jinaki taraf hai apana ishaara
Bhed wo chhupayenge,
Bhed wo chhupayenge
Bhed toh khuljayenge
Kaagaz ke phuul phuul are phuul
Kushbu kahaan se layenge

Dil kitana kush hai aapase mil ke
Aankhein jhuki jaati hain sharam se
Sunate hain koyi jalata hai hamase
Kitana maza aayega qasam se
Jhuumeinge gayenge logon ko jalayenge
Kaagaz ke phuul phuul are phuul
Kushbu kahaan se layenge

Dekhe nazar ne kuchh log aise
Nikale jo kaagaz ke phuulon ke jaise
Sapane kabhi tuut jaate hain jaise
Unako bhula dena dil se tum aise
Wo to bhuul jaayenge
Wo to bhuul jaayenge yaad nahin ayenge
Kaagaz ke phuul phuul are phuul
Kushbu kahaan se layenge

Rang le aayenge ruup le ayenge
Kaagaz ke phuul phuul are phuul
Kaagaz ke phuul
Kushbu kahaan se layenge.
