

Haye kisi ka rangin aachal  
Haath me aake chut gaya  
Dil ka najuk najuk shisha thesh lagi  
Thesh lagi or tut gaya  
Thesh lagi or tut gaya  
Haye kisi ka rangin aachal  
Haath me aake chut gaya

Aise chali takdir ki aandhi  
Pyar ki shama jal na saki  
Aye bimar e mohabbat humse  
Teri nabje dub chali  
Chpke chupke teri dunia  
Ghar ka bhedi haye  
Ghar ka bhedi lut gaya  
Ghar ka bhedi lut gaya  
Haye kisi ka rangin aachal  
Haath me aake chut gaya

Jisko najre dhundh rahi hai  
Haye wahi mahfil em nahi  
Thoda sa bhi dard mohabbat  
Us jalim ke dil me nahi  
Dilwao ko ranj yahi hai  
Ban ke nasiba  
Ban ke nasiba fut gaya  
Ban ke nasiba fut gaya  
Haye kisi ka rangin aachal  
Haath me aake chut gaya

Harth kaleje pe rakh rakh ke  
Jisko hamne yad kiya  
Usne hamse fer ke aanhke  
Gair ka ghar abad kiya  
Kahti hai thandi thandi aahe
