

Rangila main hoon rangili dil hai rangila
Sajgila main hoon sajgili dil hai sajila
Nashila main hoon nashili dil hai nashila

Rangila kar diya maine sara jaha
Sajgila ye badan jaise ho gulsita
Nashila tujhko dekha to hai ye shama
Rangila kar diya maine sara jaha

Hotho pe hai laliya ji le mere
Do lab, julfe hai kali meri

Aur hai sunhara badan
Chhuo na hai mere tan mein bhari bijaliya
Sanse bhi hai jangalo mein jaise aandhiya
Chhuo na chhuo na chhuo na chhuo na
Chhuo na mharaba

Todke mera dil kar diya
Mushkil oo rangili
Duniya ke hai dohare riste
Gunje trane mere
Jitne hai aashiq mere
Utne diwane mere

Sharmila na
Main sharmili na mera dil sharmila
Nakhrila mai hi nakhrili dil hai nakhrila
Jharila main hoon jharili dil hai jharila
Rangila koi afsana itna kaha
Sajgila ye jawani ka hai karwa
Nashila hai jo sun le meri dasta
Ha rangila koi afsana itna kaha
Todke mera dil kar diya
Mushkil oo rangili, rangili.
