

Rangiyara Lyrics

O mitwa mere mahi
O mitwa mere mahi kaise kahoon yaar
Jhilmil jhilmil bahta paani karta hai ye fariyaad
Jhilmil jhilmil bahta paani karta hai ye fariyaad

Rangiyara rangiyara kisne ye jaadu daara
Rangiyara rangiyara kisne ye jaadu daara
Khoye khoye sapno mein rishto ka iktaara
Bajta hai bajta hai haule haule mann saara

Rangiyara rangiyara kisne ye jaadu daara
Rangiyara rangiyara khushiyon ke rang
Ghol de ghol de

Dildaara falak pe likhenge
Humari kahaani ruhaani
Dikha ke roshni bharde bharde

Chal har din bhar bharde bharde
Sabke sang hai khushiyon ka ujiyaara
Reshmi dor se bandha hai dekho jag saara
Kabhi kabhi hota hai dekho na dil banjaara

Rangiyara rangiyara kisne ye jaadu daara
Rangiyara rangiyara simte ye andhiyaara

Life is a puzzle peices unseen
Moments of chaos deep inside
In broken paths we fear to go
Journeying our darkness into day

Chasing the things we keep inside
Life is a river that will never
Stay still changing its rhythm
Teaching the heart how to grow wise
Shaping the soul into something thats totally new

Jaadu chhadi se ye dil sawaar de
Kabse tere mann mein hardam

Dua saja de diya jala de

Maasoom si ek nadi samale

Yaari samay pe kahenge hamari kahani purani
Batake dukhi pal chhod de chhod de
O chal chhod de chhod de chhod de chhod de

Bahta sang hai paani pe ishikaara
Dekhega jag ye dosti ka nazaara
Khoye khoye sapnon mein rishton ka ek taara

Rangiyara rangiyara kisne ye jaadu daara
Rangiyara rangiyara simte ye andhiyaara
