

Tu hain rangon main khoya
Tujh se baat kya karun
Kaise hogi yeh tujh se
Mulaaqat kya karun
Teray baray main socha
Sari raat kya karun
Kaisay hoga tera mera
Saath kya karun
Mein woh dhoondun ga nishan
Tujh se milna hain jahan

Eh meri jaan teray liye
Har kahein jaoon ga
Le jayein ge raste jahan
Mein wahin jaoon ga
Mein benishan beaasman
Bezameen jaaun ga
Pa keh tujhe phir
Tu kahin mein nahin jaoon ga

Tu hai rangon main khoya
Tujh se baat kya karun
Kaisay hogi yeh tujh se
Mulaaqat kya karun
Teray baray mein socha
Sari raat kya karun
Kaisay hoga tera mera
Saath kya karun
Najanay kyon betaab tha
Woh to mera khwaab tha

Aashna yeh zameen
Ajnabi shehar hain

Jaoon kahan eh sahib-e
Dhoop ka zehar hain
Aur dinon ki roshni se
Bari nehar hain
Phir bhi meray dill mein kisi
Aas ki lehar hai
