

Rap God Lyrics

If your rich throw your bandz up
If your rich throw your hands up
Got your girl dripped in diamonds
Living life like a rap god

If your rich throw your bandz up
If your rich throw your hands up
Got your girl dripped in diamonds
Living life like a rap god

Rap god rap god
In the club like a rap god
Rap god rap god
Living life like a rap god

If your rich throw your bandz up
If your rich throw your hands up
Got your girl dripped in diamonds
Living life like a rap god

Rap god rap god
In the club like a rap god
Rap god rap god
Living life like a rap god
