

Raks kar le tod de sab janjire
Aa mila kadam sajegi woh mehfile
Ho ho hain jahan rangin
Zindagi berangin kyon ho
Lay pe dhadkano ki hath
Mera thame jhum lo
O yara taron ki tarah chamkoge toh
Dekhega jahan ha taron ki tarah

Raks kar le raks me hai yeh jahan
Ghumati jamin rang me hai aasman
Hey hey hey jis tarah nadi m
nachati hai lehare nacho tum
Jis tarah dilon me nachein hai
Umangein nacho tum
O yara taro ki tarah chamkoge toh
dekhega jahan ha taro ki tarah
Ho ho udane do khud ko tum ha ha
Roko naa abb dil ko
Tum chu lo aasman

Rasta chahta hai kai rahi har
Ek rahi chahta hai ek sathi
Manjil chahti hai musafir har
Musafir ek humsafar chahta hai
Raks kar le tod de sab janjire aa
Mila kadam sajegi woh mehfile
Ho ho hain jahan rangin
Zindagi berangin kyon ho
