

Rasiya Balama Lyrics

Twinkle twinkle chamke star
Something troubling mujhko yaar
Shaking shaking dil ke taar

Tonight is the sum of a reminder of an unbalanced equation inherent
To the hormonal dis programming of the problem called love
While it remains a burden to seductively avoid it
It is not unexpected and not beyond a measure of my control
That is what like something like that said shakespeare
I know dear

Pehele ki thi masti phir hui grand masti
Phir great grand masti ab hogi masti 4
Mast pataka hai tu bum ka dhamaka hai tu
Mast pataka hai tu bum ka dhamaka hai tu
Ladki gazab baby mann mohini

Main veeru tu hai basanti
Dil ki baji hai ghanti
Karne de mujhko mann ki o manchali

Tu pyaasa parinda main husn ka dariya
Aa do ghoot chakhle zara

Rasiya balama come touch me rasiya balama
Rasiya balama do masti rasiya balama

Pehele ki thi masti phir hui grand masti
Phir great grand masti ab hogi masti 4

Jawaani teri baarood hai bandook hai badi majboot hai
Tu kasrati robila hai joshila hai bada rangila hai
Bheege hai shole phir bhi bujhti nahin aggan
Aisa hai jaadoo tera chhaya hai pagalpan

Tu dehka sa shola main jhonka hawa ka
Bhadakne de chingaariyan
Rasiya balama come touch me rasiya balama
Rasiya balama do masti rasiya balama
