---

Unnaale vaazhgiren  
Thannaale aadinen  
Un kannale saagiren  
Uyire uyire

Vaanam thoorum poo mazhai  
Adhil aadava en thenirai  
Paavai paarkkum paarvaiyil  
Irاندhen pirاندhen

Rathinamo muthinamo  
Un kanne mundhi varum  
Mandhiramo sangeethamo  
Un solle paadi varum  
Nee chandhirano sooriyano  
En nenjam thindaadum  
Andha aadhiyanin kattalaiyum  
Un icchai vendraadum

Naalthorum en kaadhoram  
Un kural ketkanum isai paadanum  
Idhazhodu naam idhazh serkkanum  
Iravodu naam iravaaganum

En mogamellaam kotti theera  
Un natcha paarvai enna kolla  
Thindaaduren kondaaduren  
Unnaala thaان

Rathiname muthiname

Unkoodave naanum vaazha  
Oru jenmam podhaadhe

Rathinamo muthinamo  
Un kanne mundhi varum  
Mandhiramo sangeethamo  
Un solle paadi varum  
Nee chandhirano sooriyano
