

Aana aana

Mashware aur hidaayate
Nazar yeh kya karun
Mashware aur hidaayate
Nazar yeh kya karun
Meri aankhon se bhi dikhata hai
Nazaara kya karun
Re mere maula re mere maula
Re mere maula re mere maula

Maula maula....

Hai yeh galat aur yeh hai sahi
Sab kahein aisa kar hai yahi bandagi
Mere dil mein bhi tu hi chhipa hai kahin
Abb toh tu hi bata kya hai farmaan ji
Abb tera bhi mujhako hai

Sahaara kya karun
Re mere maula re mere maula

Maula maula maula....

Sab ke chaaron taraf ek diwaar kyun
Khud ki bhi nazaron mein
Hum gunehgaar kyun
Maula maula maula....
Aadami inn dino thoda bimaar kyun
Ik aman ke liye itani takraar kyun
Badi ummidon se tujhako hai
Pukaara kya karun
Re mere maula re mere maula

Mashware aur hidaayate
Nazar yeh kya karun
Mashware aur hidaayate
Nazar yeh kya karun
Meri aankhon se bhi dikhata hai
Nazaara kya karun
Re mere maula re mere maula
Re mere maula re mere maula.
