

Ready Steady Teddy Song Lyrics

No time to reap in buddy
Look who's around
Teddy is back in town
Oh

Bullets can't kill me baby
Play if you dare
Can even touch my hair
Oh oh

Hey mr. Stranger
I'm an encyclopedia for danger
Punches for starter
Oh main course 'nd won't matter

If you hug me
I'll be cozy
If you bug me
I'd go crazy

This is my
This is my
This is my
This is my privacy policy

Ready steady teddy
Ready steady
Ready steady teddy
Rock n roll already

Ready steady teddy
Ready steady
Ready steady teddy
Rock n roll already

Let me tell you a story
Long time ago
There lived a rowdy baby
Oh

lyrics

When teens were gettin dirty
My baby would smile
Cas that's a the time to party
Oh...

Land minds on dance floor
Your heart beats so fast can ya beat slow
No time to fear
She'd put on fire in your rear

Try kissin me
I'm your beary
Try messin me
You'll be sorry

That is da
That is da
That is da
That is da end of our story

Ready steady teddy
Ready steady
Ready steady teddy
Rock n roll already

Ready steady teddy
Ready steady
Ready steady teddy
Rock n roll already.
