

Red Lyrics

Hauz khas mein club promotion ungh
Subah ki pehli metro hai only option
Jin club on mein woh karta kaam
Unn club on mein woh legend hai
Aur unn galiyon mein they call him calm

Ye hai mehnat maze ka viksit roop
Jaha bhagte hum parchhayion se jaate jahaan pe dikhti dhoop
Aur music influential hai samjha kitna mai tabse
Jabse eminem ne bola toh its motherfuckin limp bizkit too

Best headphones deals

Mai aana-kaani karta nahi mic pe aate hi I spit the truth
Hua tha jo hamare saath kar rahe wahi hum hubahoo
Kuchh bache hai naye scene mein who risk it to get the biscuit
Kyuki seedhe maut ne kiya jo kaha likhit the sickest dudes

Jaaneman jaanejaan mujhe jaan jaaye
Jahaan jaaye jaaye par khaali kabhi naa baan jaaye
Vachan jaaye naa kabhi chaahe chale yahaan praan jaaye
Ghamand jaaye naa jiske hriday mein hanuman jaaye ungh

Bharat mein sabse do bhookhe bhaalu
Gaati nahi hai maina toh likhte hai jaise sarojini naidu
Byjus jaise fraudy nahi bas itni si hypocrisy
Ki we livin like kings in worlds largest democracy ungh

Bhoori hai khaal bhoore kandhe pe haath
Apj bose bhagat singh chandra shekhar azad
Bole mujhe jab aati iss desh ke logo ki baat
Toh yaad dilaata rahiyo inko uss bhoori mitti ki aukaat

Toh mai anti-goverment ye bole anti national mai international
Anti-establishment hu bohot hi mehnati aur sentimental
Different animal hu zehrila chemical inn saare keedo ke liye
Jo karte gaane share par karna chahte hume mann-hi-mann cancel ungh

Thoda zor lagale puri gaand ka

Delhi ho ya mumbai koi baal naa ukhaade meri jhaat ka
Jaati-paati kare jo paida maaru mai uski jaat ka
Pauri garhwali hindustani hindi hai meri bhaasha

Aur itni aasha hai ke launde tu mujhe samajh paaye
Parwarish mein teri aur meri kuchh itna farak naa hai
Ek club promoter aur ek call centre wala ye kehna chaah rahe
Hum dono agar kar sakte hai toh tu bhi kar sakta hai shh

Nahi thi yahaan teen ki table naa
Door rahe tv cable bohot door
Jab maarte hai chaar log multi sirf chaar
Jab nahi the baarah label

Jab nahi thi bars mein shakti
Jab ghoomte talaash mein job ki bhai bhai
This shit unreal ab aate chhatis nahi table mein nau ki
Tera bhai hai seedhe maut hi bolu jab milegi maut bhi

Ye bread hai soggy hote cocky udte punches rocky
Ni chhodte mauka mo ka call aaya bola boys got you new deal
Bol aaya ghar pe ki paise ka hai no scene
Kaandi launde jo kabhi nahi the sushil

Seedhe karte gig pe pull up agar phaadni hoti gaadna hota
Jaanta ni tu kaun agar tu dost hai dost ke yaar ke dost ka
Woh kehte kaam pe dhyan de khud jo maange dhyan bas hoes ka
Jab sau se jyada show bajalo aake gyaan chodna

Haan kuchh seekhte hi ni
Jo mili woh jigri thi ni mile jo khushi woh tikti bhi ni
Ab aisi faili bheed hai woh kahi pe dikhti bhi ni
Aisa bharosa khudpe college jaake degree li ni
Tere bhai ko chahiye ni koi reason to pop off

Aur bhai jaaye hard haiga music ka soft spot
Aur abj katana leke karega chop chop
Aur aayi ni woh yahaan tak just to talk talk

Mai karunga knock-knock toh pitenge opp wop

Best headphones deals

Hum baatenge maut bohot hai saara game on lock
Humare jaisa level up yahaan karega aur kaun
Aur gale mein khajana leke ghume do boss dog
Jeene ka kaaran dost rap aur family
Jo chhu le bhai banta hai sona waise hi

Hai saath mein hai mic aur koi ni plan b
Iss haath mein ye casio bhi lagti mehengi
Saath mein hai fam aur ab laakhon fans bhi
Show pe tode barricades hai nation ki stampede

Ab jaane puri building kaun rehta hai upar
Lex luthor hu superman mai ni
Tera bhai yahaan pe pahucha hai bohot bhagayi
Soya ni mai do sau nights

Aur ab bhi hai pair bas tike zameen pe
Hu jabki le raha saal ki mai sau sau flight
And my jobs like mike
Jab bhi daalu number board pe toh lado mere pen se kyu

Ho pen se new ye paisa abhi laakhon hai account mein
Lekin ab bhi karu rap like my rent is due
Kyuki nahi thi yahaan teen ki table humse door rahe tv cable
Khaali maarte jab chaar log multi jab nahi the yahaan baarah label

Jab nahi thi inn bars mein shakti
Jab nahi the incharge hum kashti ke
Nahi thi ek car aur ghar bhi khaali maal aur kadki aur ek mic aur chhat thi

Meri fight thi wakt se meri fight thi khudse
Mere saath the shabd hi tabhi chali meri kalam kehti rehen do
Jao maa chudao koi ni chahiye bhenchod
Tera bhai seedhe maut big plans bro

Yahaan pe ni bachoge wack rap dont stand close
Back to back lab mein trapped hai shark do do
Hume ni karenge outrap ye wack log
Hum hi ne kara tha pehle din se crack code

Hai dono bhai game ke backbone
Hai dono bhai game ke backbone
