

Shaad rakhe aabad rakhe  
Rabba tenu  
Ho rabba tenu  
Shaad rakhe aabad rakhe  
Rabba tenu

Ho mahiya reet yahi jag ki  
Ho mahiya reet yahi jag ki

Dulhan bani hai banni aaj banno shehzadi  
Aayi rut aayi rut aayi aaj murada di  
Chheti chheti mehndi laava  
Sona sona chura paawa  
Chheti chheti mehndi laava  
Sona sona chura paawa  
Dulhan bani hai banni aaj banno shehzadi

Ho mahiya reet yahi jag ki  
Ho mahiya reet yahi jag ki

In akhiyon mein jaaye kaise kajra re  
In mein koi basta  
Jis raste pe jaye le ke saajan re  
Wo hai mera raasta  
Koi milta hai  
Koi bichhadta hai  
Kaisa hai yeh rishta

Ho mahiya reet yahi jag ki  
Ho mahiya reet yahi jag ki

Dulhan bani hai banni aaj banno shehzadi  
Aayi rut aayi rut aayi aaj murada di  
Chheti chheti mehndi laava  
Sona sona chura paawa  
Chheti chheti mehndi laava  
Sona sona chura paawa  
Dulhan bani hai banni aaj banno shehzadi

Pal do pal ab is aangan mein  
Tera aur thikaana

Babul ki yeh nagri tujh ko  
Chhod ke hoga jaana

Ho mahiya reet yahi jag ki

Jin galiyon mein maine guzara hai  
Bachpan hansta gaata  
Us aangan se us darwaaze se  
Chhoot raha hai naata  
Koi bataaye to  
Koi samjhaaye to  
Din yeh kyon hai aata

Ho mahiya reet yahi jag ki  
Ho mahiya reet yahi jag ki

Dulhan bani hai banni aaj banno shehzadi  
Dulhan bani hai banni aaj banno shehzadi.
