Ghode dode reca'an vich yaar de mere
Gaddi neevi asle vi baar de jede
Bina puche karde na kum koi jatt to
Nal nal challe sarkaar vi tere

Z plus security te firm aa moti
Gaddi utte batti nal umar vi choti
Thori gal karda te kare gal choti
Landu banda khad da vi kol ni tere

Oo baj wangu rakh daya vairiyan te akh ni
Tayion koi kar sakeya na oda kakh ni
Aap hi banaya jo vi aaj tak jatt ne
Te nahi fedeya ae kise oda hath ni

Vairiyan de gal vich veene pake rakhda
Te choti soch wale bande nal naio kharda
Rutba aa dekh diya duniya ni jatt da
Eve naio wadde wadde nal ni khade

Pesa ik number te kam sare white
Jo vi gal kare ohnu kehnde saare right
Menu pta jatt future bright
Lenda uth tarke ni nagni di diet

Har thaane te jatt di aa dekh balle balle
Kinniyan nu rakhda dba k jutti thalle
Dekhde hi das dinda keda banda chaj da
Te keda banda dogle je kum ni kare

Ghode dode recaan vich yaar de mere
Gaddi neevi asle vi baar de jede
