

Rehem Song Lyrics

No mercy ruthless no darzi
Faadu naa teri marzi chalegi
Maange mercy

Kam hai charas
To smoke maange ye charasi
Joke maare ye madarch0d
Ye noke maare sirf farzi

Thoda fame mila hua inhe veham
Main to leta inki damn
Wham bam thank you ma'am

Har baari kyun ch*d jaate inke plan?
Inke fans saare comp
Inhe chahiye mujhse reham

Organic hoon aur gyaani mechanic main
Main grease dera hothon pe
Launde baithe yahan faariq hain

Tere walid hum
Flex tere naa valid hain
Young dumb and broke
Haan rappers ye saare khaled hain

Khatm kara tha main
Chhore chhodke bhaage jang
Dhuaa udaare bahar hain hum
Usi wajah sitaare kam

Nazar aare humare damm pe
Chalna chaahre saare
Ab gamma rays jaise bar hain
Ab likhavat bhejapaar hai

Ab dhani kamaare saare hum
Maare rum launde laare hum
Game mein spirit sambhale hum

Maare hum inki aatma

Shanti bhi to dilaare hum
Bacche se beef to jaare hum
G**nd phatti jab padhare hum
Demon time ye hai 4 am

Har ek gaane mein ye lete mujhpe shots
Kyunki main hi ek zariya
Jisse badhta inka bank ka balance
Flow ye lage killshot
Kyunki disobedient kids saare
Aake seekhe yahan se manners

Mere long hairs
Og mera style dekho
Karvaa re ye blonde hair
Soche khud ko marshall mathers

Main karra russ copy em copy
Utna bhi main kaabil hoon
To khud ke liye main khush hoon brother

Aaye the mumbai
Mujhse khud se aake mile
Mic pe fail hai saamne mere
Beta koi bhi mic pe fail hai

Wordplay karna chaahre hain ye kele
Bharatlyrics.com
Acapella aake pele aake pehle mooh mein lele
Bomb bomb girega beta idhar chalta boom nahi
Inke jaise bhadotri ko dete idhar room nahi

Jhoom nahi paayega khaayega jaayega bhaag
Laayega mere liye sab bachayega kon tujhe ba?

Tu chahega machayenge leke bhi na machayega
Mann chahega tera mera jagah naa mil payega
Naa tiger and they be lying main to khada liger
Har bars mere bhoola to dobara se main laayega

Tight bars hain kabhi na karu loose main
Dere mujhe hai gaali to karu inhe abuse main
Motivation banake ye body facial karaake
Aare hain soft rappers wayne bars dunga bruise main

Zamee aasma ka fark apne views mein
Ye shots lere taaki aaye dhaakad ke news mein
Nahi hai mere laayak kaise karu inse fight?
Fake gangster on the mic
Softy bane interviews mein

Baar baar kyu aa jaate hai ye maar khane
Seekh dera kyunki aadat inka bahar khane
Inke career ko khaa daala mere 4 gaane
Mujhse sade aisa lage kalam inka khaar khane

Kaarkhane kaise chalayenge 4 jan ye?
2 din ye views mein 4 lakh nahi maar paare
Aur ye bolenge ki duniya inse chalti hai
Mai doonga killshot to bheje ke seedha aar par hai
