Nuvvuntene naakantha praanam
Edho maaye chese yuddham
Naa premathone neninka siddham

Koosantha prema neelo unna
Choopincharaadhaa naa pai kannaa
Kondantha prema naalo unna
Choopinchaleka thadabaduthunnaa

Priyaa choodu naa prema kavitha
Hrudhayam parichi raashaanu raatha
Preme panchi cheripeyi geetha
Ichhesthaanu nuvu korinantha

Naa laaga unna nene nedu
Nee needa laaga maaraa choodu
Nee dhaasalone untaa epudu
Nuvvunna kalale kantunnaa ipudu

Maate raaka niluchundhi mounam
Em chesthunnaa nee pere dhyaanam
Nijame nuvву naakunna lokam
Jathagaa ayyi theeseyyi dhooram.
