

Reppalaninda Song Lyrics

Reppalanindaa kalaganakundaa
Vennella vaana anukokundaa
Pedhavalanindaa mastalavaana
Alalu yegasenule
Ee mattilona poose roja poole
Raagaalu kurise vedurule
Innaalluga innelluga
Naalo levi mahimale

Kodavalinindaa kumkuma poole
Kadavalaninda mandaaraale
Padavalaninda pattu therale
Adugulaninda aakashale vaalenule

Pattu guburu daate seethakoka chilukalaa
Mitta kalalu daate andhamaina nijamula
Patti lagene pattu theega nannila
Yemayyindo naakemayyindo

Vaddantunna nee mudde nannu
Ramantunde nanu champesinde
Rai rai ranguluvei ennadu chudanidai
Gundelo bommalle poose

Kodavalinindaa kumkuma poole
Kadavalaninda mandaaraale
Padavalaninda pattu therale
Adugulaninda aakashale vaalenule

Chanti papalaaga chindhulevo vesthunna
Ontaronni ittaa thuntaronni chesthunna
Vendi vennalai yendalone kasthu vunna
Yemayyindo nakemayyindo

Roju choose naa daarulu kooda
Nene evaro mari marichesaaye
Enno ennenno vinthalu naalona
Yennadu oohinchanivegaa

Kodavalinindaa kumkuma poole
