

Deep Jandu

Aiven badkan ni maari diyan  
Koi reejh laake engine karju  
Khasma teer baahle udde firde aa  
Aiven kasootte thaa bharju  
Oye banda tilkeya ta bach janda  
Saali jeebh tilki na hadd bahut tadvaundi aa  
Eh ta waqt decide karu  
Ginnti shera ya bheduya ch aaundi aa

O leeran te lifaafeyan de jhund firde  
Sher keh ke den khud ni tasalliyan  
Saari saari raat pind saun ni dinde  
Chamgaadana di daar udde paake talliyan

O gaddiyan ki chappla vi chhadd bhajjde  
Jadon velly bande muccha utte hatth rakhde

Pooch lattan vich hundi aa pitthal shera di  
Jede khud nu Laden da jawaayi dass de  
Pooch lattan vich hundi aa pitthal shera di  
Jede khud nu Laden da jawaayi dass de

O groupan vich ghumman di aadat ni  
Maut mujre kar kar ke saada parchaar kardi aa  
Mattha laun waale maidaan labhde aa
