Rich & famous come fu** with the elies

You know what the name is

Ghar fookne painde aa mitra
Te sadde jahe yaar labhde
Assi jittne nu bane aa maidan
Te loki saddi haar labhde

Kolo sinneran de paanp milne
Paak naa vichar labhde
Rehnda dabbiyan ch maal bhareya

Te ittar nu haar chhdd-de

Jad paise naal kharid hove naa
Te fer ne jugad lagde
Jide galo bann lath jaiye bahr
Ohnu na shikar fabde

Leher laggi vich sandh de pahad
Cinneran te yaar sadh de
Jatt dubban ch laga ke ghumde
Te kutt ton lohar lagde

Je tour india da kaddna hove
Ohde layi khokhe char lagde
Reesan karde ne kinne kalakaar
Te baaki rehnde khaar chhadd-de

Ikko vaar ch khalar daiye daar
Jada naal vaar vaar vadd-de
