

Rider Song Lyrics

Tu hi meri rider rider rider
Tu hi meri dost
I'mma take you
Higher higher higher higher,
Rakh mujhe close
Nikal gaya main slums se,
Jo bhi karun main sab mann se
Sab hard mere bande,
Kyun khafa hai tu humse?

Tu hi meri rider rider rider
Tu hi meri dost
I'mma take you
Higher higher higher higher,
Rakh mujhe close

Yaad mujhe neend mein,
Savera jab uthe tera bhai
Phir bhi feel mein
Khoobhsurti uske genes mein
Thandi hawa nikalte sirf paseene

BHARAT
lyrics

Ye asliyat ya dream hai, dream hai
Ya mera sirf naseeb hai haan

Ye asliyat ya dream hai,
Ya mera sirf naseeb hai
Aisi ladki jo khud kare grind,
Jab pooche usse time
Woh bolti humara hai,

Jo check kare line, mujhe
Pooche if i'm fine
Poochha kya khaya hai,
Check karo

Ye hit & run wala koi case nahi hai
Ye police chor wala chase nahi hai

We can never be friends,
We can never just pretend

Tu hi meri rider rider rider
Tu hi meri dost
Imma take you
Higher higher higher higher,
Rakh mujhe close

Tu hi meri rider rider rider

Tu hi meri dost
Imma take you
Higher higher higher higher,
Rakh mujhe close

I know you want me
It's like every time i walk by
The room starts to spin
It's getting heavy
But i ain't comin over
Till you got that gin-gin-gin

BHARAT
lyrics

Sunna mera dost
Tujhe pyaar karna roz
Tu hi mera rider
Mujhe rakhna tujhe close
Higher higher sirf hai tere saat
Yeh doosre saare ladke hain pareshaan

Independent mein karti
Mera tu tera
Hum dono hai way up

Jisko jo kehna woh kahe
Na lena na dena we way up

Tu hi mera last tu hi pehla
Tu hi mera raat tu savera
Parivaar lage
Jab tu haath pakde mera

Chal saath de tu mera
We way up we way up

Tu hi mera rider rider rider
Tu hi mera dost
I'mma take you
Higher higher higher higher
Rakh mujhe close

Tu hi mera rider rider rider
Tu hi mera dost
I'mma take you
Higher higher higher
Rakh mujhe close

You can keep me close
I'm a rider riding witcha
You can keep me close
I'm a rider riding way up

You can keep me close
I'm a rider riding witcha
You can keep me close
I'm a rider riding way up.
