

Rim jhim ke git saavan gaae, haay
Bhigi bhigi raato me
Rim jhim ke git saavan gaae, haay
Bhigi bhigi raato me
Hotho pe baat dilaki aae, haay
Bhigi bhigi raato me

Teraa meraa puchhe naataa
Badi vo ye ghataa ghaghor hai
Chup hun aise me kah do kaise
Meraa saajan nahi tu koi aur hai
Ke teraa naam, hotho pe mere, tere
Sapane meri aankho me
Rim jhim ke git saavan gaae, haay
Bhigi bhigi raato me

Meraa dil bhi hai divaanaa
Tere nainaa bhi hai naadaan se
Kuchh na sochaa, kuchh na dekhaa
Kuchh bhi puchhaa na is ajaan se
Chal pade saath ham aise, kaise
Banake saathi, raaho me
Ke rim jhim ke git saavan gaae, haay
Bhigi bhigi raato me

Badi lambi ji ki baate
Badi chhoti barakhaa ki raat ji
Kahanaa kyaa hai, sunanaa kyaa hai

Kahane sunane ki ab kyaa baat hai
Bin kahe, bin sune dil ne dilase
Kar li baate, baato me

Ke rim jhim ke git saavan gaae, haay
Bhigi bhigi raato me
Rim jhim ke git saavan gaae, haay
Bhigi bhigi raato me.
