Brara da munda
Harnav brar

Unjh lad'de vi aappa
Baahla paunde na sayapa
Lad'de vi aappa
Baahla paunde na sayapa

Par maheene vich ik adha din balliye
Khurk jehi hath utte lade balliye

Jehde jehde sathon sathon sade balliye
Appa feeling na callar to phade balliye
Jihnu jinni chahidi si ditti assi dose
Rog eho je tareeke naal pade balliye

Jehde jehde sathon sathon sade balliye
Appa feeling na callar to phade balliye
Jihnu jinni chahidi si ditti assi dose
Rog eho je tareeke naal pade balliye

Panga nahio paaya kade jaan bujh ni
Hove nikki moti gall assi kahiye kujh ni
Par incident eho jeha appe ban jaanda
Chepran de sathon jaande buthe saj ni

Appan di ae shaan ki khilaaf balliye
Karida ni maahde utte laugh balliye
Sadda vi ae ghar-baar mom dad na pyar
Khaule khon je koyi saanu aakhe chhade balliye

Jehde jehde sathon sathon sade balliye
Appa feeling na callar to phade balliye
Jihnu jinni chahidi si ditti assi dose
Rog eho je tareeke naal pade balliye

Geetkari nature layi sadde khon ch
Taanhi gale ni depend sadde autotune ch
Kitta hath pola jadon wadheya blood

Assi limca mila ke nahio pitta noon ch

Aa tera mogge aala phookda kaleje
Harnav harnav hundi rehndi aa stage
Aire ghaire landu laaye khunjeyan ch gaundi amar
Je peeda vich khamb ban khade balliye

Jehde jehde sathon sathon sade balliye
Jehde jehde sathon sathon sade balliye
Appa feeling na callar to phade balliye
Appa feeling na callar to phade balliye

Ho thaunde aa gard jehde naal khade ae
Yaari de suroor sadde sir chadhe ae
Kithon talde aa vairi bade samjhaye
Pher kehnde kannu te nishaan pade

Aa jigre ni saukhe milde bazaar ch
Badi hundi enna di amount balliye
Geet bade pending aan line vich addi
Ungli te gini chali count balleya
Chal changa.
