

Teri to teri ta
Hamesha yaad sataave
I don't know
What you're saying
All i know is that
I came to party

Teri to, teri ta
Hamesha yaad sataave
Dhoom macha de rang jama de
All i know is that i came here to
Came to party!

Aaj baby meri kol
Aake gal tu dil di bol
Ainve na tadpaaya karo

Main taan karda teri wait
Khol ke dil de gate
Milne kade aaya karo

Hey
If you really want to get down
Aaja baahon mein
Hum ghumein around

Round we go, round we go
Round we go, round we go
Round we go, round we go
Round we go, round we go

Teri to teri ta
Hamesha yaad sataave
I don't know
What you're saying
All i know is that
I came to party

Teri to teri ta
Hamesha yaad sataave
Dhoom macha de rang jama de

All i know is that i came here to

Rock tha party, rock tha party
Oye hoye ni kudiye teri jawani
Rock tha party, rock tha party
Oye hoye jawani akh mastani
Shake your body, shake yor body
Oye hoye jawani teri jawani
Rock tha party, rock tha party

Rock tha party, rock tha party
Oye hoye ni kudiye teri jawani
Rock tha party, rock tha party
Oye hoye jawani akh mastani
Shake your body, shake yor body
