

Kaali kaali raat mein
Kaale chashme pehan ke aata hoon
Har party ki jaan ban jaata hoon
Guitar be-taar bajaata hoon
Table pe sabko nachaata hoon
Ulte seedhe gaane main gaata hoon

O main naheen sunta apne baap ki
Nahi koyi t-shirt mere naap ki
Yeh meri body, yeh dole
I move haule-haule
Tu googles karle yaar!

I'm a rockstar!
Naa rok mainu!
I'm a popstar!
Naa tok mainu!
I'm a superstar!
Mujhe roz hota hai pyaar

Don't be crazy, sweet baby
My name is az, sweet baby
Baby you're the one
But allowed toh hain naa chaar

Oopar se seedha saadha
Andar se badi cheez hoon
Har season mein hit main ho jaata hoon
O meri chhanno mein hai ik nasha
Madhubala mein aisa mazah
Yeh meera, yeh reshama, yeh kim kardashian
In sab ka hoon main yaar!

I'm a rockstar!
Naa rok mainu!
I'm a popstar!
Naa tok mainu!
I'm a superstar!
Mujhe roz hota hai pyaar

Don't be crazy, sweet baby

My name is az, sweet baby
Baby you're the one
But allowed to hain naa chaar

Rockstar rockstar!
Rockstar rockstar!

Shhhh...

O sheela o sheela
Rangeela rangeela
O yellow ko urdu mein bolte hain
Rang peela aaha!
Yeh meri shaayari hai kitni pyaari
Yeh mera fashion mein kitna passion
O socho ghaalib ne pehna
Ho designer se le ke coat neela aaha
Us par gote ka kaam ho
