

Raju Song Lyrics

Raju nadichina chote
Eerojem jariginadho
Raju palikina bashe
Eerojem telipinadho

Raju thaake cheyye gaani
Eerojem chesindho
Raju choose choope gaani
Eerojem choopindho

Rendu dehaalai kanipinche
O praanamidhenaa
Munuguthundha premalalona
Daare godarai pongenaa

Ye vaipuna neetho unna
Aa vaipuna velugula vaana
Raju nuv naatho unna
Ledhe idhi ninna monna
Chuttu nalugurikemauthunna
Naadhaaka cherunaa

Ye vaipuna neetho unna
Aa vaipuna velugula vaana
Raju nuv naatho unna
Ledhe idhi ninna monna

Chuttu nalugurikemauthunna
Eerojedho maaya
Kannullona gundellona lolothullona

Mundhu roju kante nenu
Nedu kontha thelikaithini
Nuvvila chirunavvullaa
Naakanta paduthunte

Mundu roju kante nenu
Nedu kontha erragaithini
Nuvvilaaga needalaaga
