Chholeyaan da pani ni mai boohe agge doleyaa

Aunda janda phisal gaya ni mera rondi da hassa
Ni mera rondi da hassa nikal gaya ni mera rondi da hassa

Ud da ud da mor meri cheechi utte beh gaya

Shoo shaa karke uda deyaange ni tainu jhaadu pocha karna
Ni tainu jhaadu pocha karna ni tainu jhaadu pocha karna
Sikha deyaange tainu jhaadu pocha karna

Yaad hai thonu vyah ton pehlaan tusi kinna time kad de si
Hun taan bas haye gallan ee reh gaiyaan lammiyan lammiyan chhad de si

Vyah ton pehlaan vehle ee si asi tere layi time kad de si
Kamma kaajan ne hun ghera paa leya eh gallan tu chhad de ni

Ni asi ik cup chaa pee lavange ni asi ik cup chaa
Ja bana leyaa
Ik cup chaa pee lavange ni asi ik cup chaa
Matri le aayi naal

Teri te meri aisi prem kahani hai
Tu mere dil da raja hai
