Rooth gaye hamse

Rooth gaye rooth gaye
Hamse piya rooth gaye hamse

Prem ki ek chingari sulgi
Bhadak ke ban gayi shola re
Isi aag mein main bhi jali
Mera jal gaya manwa bhola re
Haye ye kya hua
Rooth gaye rooth gaye humse piya
Rooth gaye hamse
Phoot gayi taqdeer
Rooth gaye rooth gaye
Hamse piya rooth gaye hamse

Tum jo roothe dunia roothi
Jeevan hua andhera
Rato ko main ro ro kar
Aankho mein karu sawera re
Ek aisa dard diya
Rooth gaye rooth gaye
Hamse piya rooth gaye hamse
Phoot gayi taqdeer
Rooth gaye rooth gaye
Hamse piya rooth gaye hamse

Teri suratiya dekhan ko
Do naina tarse re
Do naina tarse re
Dil ki lagi ye kah na saki
Aur taras ke barse re
Taras ke barse re
Ho mera chain liya
Rooth gaye rooth gaye
Hamse piya rooth gaye hamse

Phoot gayi taqdeer
Rooth gaye rooth gaye
Hamse piya rooth gaye hamse.
