

Rootho na tum mujhse
O baby listen to me
Rootho na tum mujhse
O baby listen to me
Jahaan jaaogi tum, mujhe paaogi tum
Just me, just me you hines

Kya khona, kya paana, ji lenge hum jindagi
Kya khona, kya paana, ji lenge hum jindagi

Yun hi tanahaayi mein, aahon ki geharaayiyon mein
Just me, o o o just me

Pehle sataati ho, phir muskuraati ho
Yeh kya ada hai kaho
Ho na main pukaarungi, na main nihaaringi
Tum yun hi gaate raho
Suno dil ki sada, kaisa abb hai gila
Trust me, haan trust me, please

Na hira moti hai, sapano ki jyoti hai
Dekho yahin hai khushi
Haan maine bhi rishton ki
Sab mere apano ki, dori kahin tod di
Yahin toh pyaar hai, haan yahi pyaar hai
Trust me, o o o trust me

Waada hai yeh tumse waada nahi todunga
Waada hai yeh tumse waada nahi todunga
Jahaan jaaogi tum, mujhe paaogi tum
Trust me o baby trust me
Rootho na tum mujhse
O baby listen to me
Rootho na tum mujhse
O baby listen to me
Jahaan jaaoge tum, mujhe paaoge tum
Just me o o o just me
Trust me just me
Just me, just me

Trust me.
