

Rooun main sagar ke kinare
Sagar hasi udaye

Rooun main sagar ke kinare
Sagar hasi udaye

Rooun main sagar ke kinare
Sagar hasi udaye

Kya jaane ye chnachel lahare
Kya jaane ye chnachel lahare

Main hoon aag chhupae
Rooun main sagar ke kinare

Sagar hasi udaye

Rooun main sagar ke kinare

Main bhi itana dub chuka hoon
Main bhi itana dub chuka hoon

Kya teri gaharayi
Kaahe hod lagaye moh se

Kaahe hod lagaye
Rooun main sagar ke kinare

Sagar hasi udaye
Rooun main sagar ke kinare

Tujh me dube chand magar
Ik chand ne mujhe dubaya

Tujh me dube chand magar
Ik chand ne mujhe dubaya

Mera sab kuchh lut ke chhup gayi
Chandani raat ki maya

Mera sab kuchh lut ke chhup gayi
Chandani raat ki maya

Armaano ki chitah sajake
Armaano ki chitah sajake

Maine aag lagayi
Ab kya aag bujhaye meri

Ab kya aag bujhaye
Rooun main sagar ke kinare

Sagar hasi udaye
Rooun main sagar ke kinare.
