

Ye kaun aayaa, roshan ho gai mahfil kiske naam se
Ye kaun aayaa
Ye kaun aayaa, roshan ho gai mahfil kiske naam se
Mere ghar me jaise suraj nikla hai shaam se
Ye kaun aayaa

Yaade hai kuchh aai si, yaa kirane laharaai si
Yaa kirane laharaai si
Dil me soe gito ne, li hai phir agadaai si

Armaano ki madiraa chhalake, ankiyo ke jaam se
Ye kaun aayaa, roshan ho gai mahfil kiske naam se
Mere ghar me jaise suraj nikla hai shaam se
Ye kaun aayaa

Aahat pe halki halki, chhati dhadke payal ki
Aahat pe halki halki, chhati dhadke payal ki
Har gori se naam uska, lahre puchhe aanchal ki
Chhupke chhupke radha koi puchhe apne sham se
Ye kaun aayaa

Kyaa kahie is aane ko, aayaa hai tarsane ko
Aayaa hai tarsane ko
Dekha usne hans hans ke, har apne begane ko
Lekin kitna beparva hai, mere hi salaam se
Ye kaun aayaa, roshan ho gai mahfil kiske naam se
Mere ghar me jaise suraj nikla hai shaam se
Ye kaun aayaa.
