

Round 3 Lyrics

Na dikhe sitara nahin koi thikana
Uska na aana chhode baichana haan

Bas tu haan shayad mujhe jaanti
Baat nahin karti kaam ki
Baat nahin karti aam si ye jaam si hai
Oh aaja kehti round 3
Lagti nahin hai fancy par kehti
Uske sapne mein bhi gucci

Kabhi toh aana thoda waqt bitaana
Saath jod jalaana woh bhi milaana chahti
Mujhe kaat khaaye lagu khana chahti
Nahin thi jaana

Dekhe mujhe jaana chalo jab stage pe
Kara kill zyada aur bada bill faad
Galat insaan koi nahin pehchaana
Koi nahin pehchaana

Bas tu haan shayad mujhe jaanti
Baat nahin karti
Kaam ki baat nahin karti
Aam si ye jaam si hai
Oh aaja kehti round 3
Lagti nahin hai fancy par kehti
Uske sapne mein bhi gucci mein tha

D mana nahin le raha koi loss
Ja nahin ye ra puff ka paka sa
Kala bane ke dot

Chhulo tum late pe
Se bachte raho parche par deta raho
Main seedhe maut
Bawe she came for the sauce
Use pasand hai when i go to

Bas tu haan shayad mujhe jaanti

Baat nahin karti
Kaam ki baat nahin karti
Aam si ye jaam si hai
Oh aaja keh rahi round three
Lagti nahin hai fancy par kehti
Uske sapne mein bhi gucci mein tha oh yaa

Mujhe sapne na aaye
Bha kehti hai ki tu mere sapne mein aaye
Oh mere naam japte hi jaaye
Maine bola kha kasam meri
Boli mujhe bye ka na na
Jhoothi kasam hai na khaaye

Hum jante hain paisa tujhe
Sabne dikhaya maante ki
Ke teri samajh na aaye
Mujhe dekhi teri aaye

Main woh kare mujhe aaye

lyrics

Hai dm sam woh slacker
Fl pe baitha hoon launda
Main fly na kal tu kare
Tu makki tu fly

Haath gt dekhe aa haaya
Gaane hamaare sune tere
Bhai-behen bhatija bhoop aur taai

Sexy sexy pehne nike like check pe checksy
Kare yoga lage flexy flexy
Hote jaye stain uski maxi maxi

Jaana jaana tere peeche thodi bahut kar
Jaana jaana tere peeche thoda bahut chain
Jaana jaana tere peeche diya bahut time

Jaana jaana tere peeche kiya bahut same

Bas tu haan shayad mujhe jaane

Baat nahin karti

Kaam ki baat nahin karti

Aam si ye jaam si hai

Oh aaja keh rahi round three

Lagti nahin hai fancy par kehti

Uske sapne mein bhi gucci mein tha oh
