

Aa yahan zara kabhi,
Bhool ja ghar ka raasta,
Aur abhi jeena shuru,
Kar jo yeh din na aayega,

Aa abhi..abhi tere,
Bin jiya ab na jaayega,
Dekh phir duniya ko hum,
Bharatlyrics.com
Ungli pe kaisa nachaayega

Dil chaahe aaye,
Kabhi tu baahon mein meri,
Mil jaaye..haaye,
Duniya chaahe yeh jal jaaye,

Dekhu udoon main udoon
Yun hawaon mein,
Tu jo mile to mile ecstasy,
Dekhu udoon main udoon
Yun hawaon mein,
Tu jo mile to mile ecstasy,

lyrics

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Ready or not,
I bring through your stereos hot,
Back by popular demand.. the hysteria's up,
About time, to give entertainment a facelift,
The genghis of rap invading your playlists,

Looking, uber cool in that fly apparel,
Make a kudi go, ooh..

What a feisty mammal,
Liven it up.. See me
Jumping out your jukebox,
Hit you with that breeze of
Awesomeness through your woofer,
As you watch me, fling
Open the door and slide through,
The mere glimpse of me,
For sure, excites you,
Keep the ground vibrating
The dust stuck in the air,
Embrace the opulent vibe engulfing the lair,

And dirty talking through rhymes,
These girls get blown away,
As i give them the intense urge to fornicate,
Now give me the microphone
And look at me spitting a cyclone,
While i'm chilling and willing to give
It to women who're spending a night alone,

By the bar,
Doing them shots of whiskey,
And their bras,
Mandatorily drop like milk teeth,
Tonight,
These ladies wanna get wild with brodha v,
The aphrodiety with high fertility..go

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Dirty beat bajaaye.. Haaye,
Floor hilaati jaaye,

Neend mori udd jaaye,
Neend mori udd jaaye,
Dirty beat bajaaye,

Hands up..fellas..put your hands up,
Get wild everybody put your hands up,
Hands up..ladies put your hands up,
Everybody in the club getting turns up,

Hands up..fellas..put your hands up,
Get wild everybody put your hands up,
Hands up..ladies put your hands up,
I wanna see that booty jiggle in the dance club..

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Round round spin it round,
Drop it down cuz it's only dawn,
Down down bring it down,
Let me see that booty on the ground,

Ooo..
Aa jaaye,
Ladies & gentleman,
Brodha v & benny dayal,

Ooo..
Aajaye,

You know this is classic right here,
Aa aa..
