

Rounds N Ring Lyrics

Main round mangda tu ring goriye
Hawa ch udai phire wing goriye
Gabru de modde te pathani jachda
Tere paya hoya bag aa sling goriye

Jehdean tareekeyean na kare sohniye
Fail sochni karegi ni tu saan jatt di
Main vairiyan di jaan dub naal rakhda
Tu muthi vich rakhdi ae jaan jatt di
Main vairiyan di jaan dub naal rakhda
Tu muthi vich rakhdi ain jaan jatt di
Main round mangda tu ring goriye

See me roll up in a black denali
With this shot gun shotty
Way you work up body baby go on
We can run up any party
Get lit like diwali if you stick with
Me mami if a go wrong

My paper get bigger way i stack it up
My moves so major aint no catchin up
You know what it is now baby clap it up
Bornfire yo yo honey singh wrap it up

Dabi dabi paid na shikar tolda
Surname gaddi da number bolda
Hood tail khed di al 150 ton tap
Laake facetime tere naa vichaar folda

Bhed nahio maut da te jatt da kude
Carry karda nazayaz 22 lakh da kude
Pull over karunga dhan jigre wala
Te duja houga je same sadi mat da kude

Bande manne parmaane chahunde sanj rakhni
Chonki bharde aa nit jo shaitaan jatt di
Main vairiyan di jaan dub naal rakhda

Tu muthi vich rakhdi ae jaan jatt di
Main vairiyan di jaan dub naal rakhda
Tu muthi vich rakhdi ae jaan jatt di
Main round mangda tu ring goriye

Yes sir
Uzzyan da joda wekh high dowe hands
Thick chick big licks one hunned bands
Gabru de patt utte dhareya revolver
Bhajj vairi jaaye stakes high low ne chance

Lor chadi chit khide akhan hoiya paiya laal
Kam jeda vi aa karda karda kamaal
Jithe lagge mera show kath hunda bada bro
7 jileyaan di police ton hunda na sambhaal

Naam leke karde vyappar bade
Bharatlyrics.com
Mooh te mithe vicho khaande khaar bade
Jatt bigsteppa only big moves
Tahio chawla nu vekh ke bukhaar chade

Fame naal yaari mudtaan ton way back
Nagni sarur dindi akhan uttey maybach
Thukk ke hana chat de tu wekhi kinne
Tasalli naal karalan aaj payback

Main vairiyan di jaan dub naal rakhda
Tu muthi vich rakhdi ae jaan jatt di
Main round mangda tu ring goriye
Main round mangda tu ring goriye
