

Tanhayi sangdil tanhayi  
Sang layi yad teri sang layi  
Bar bar woh bahar phirse yad aayi  
Suni suni rah dil ki jisane thi sajayi  
Tanha dil roya re dil  
Roya re roya re dil roya re  
Roya re dil roya re  
Roya re dil roya re

Har taraf bikhare hai  
Teri yad kehi nishan  
Meri har ek chij me  
Hai teri hi parchhayiya  
Tu hi hota hai tu hi rehta  
Hai mujhme har dum sada  
Pas bhi tu hai dur bhi  
Tu hai yeh kaisi khala  
Yad banke ashk teri  
Aankho me samayi  
Yad banke ik hansii  
Honto peh bhi aayi  
Tanha dil roya re dil  
Roya re roya re dil roya re  
Roya re dil roya re  
Roya re dil roya re

Chand suraj bhi wahi  
Hai hai wahi aasman  
Jindagi bhi chal rahi  
Hai chal raha hai jahan  
Mai hi thehra hu khud me  
Simta hu dil hai ghum se bhara  
Bin tere kaise jiyu mai  
Kuchh toh de mashwara  
Jindagani aisi rehgujar  
Peh mujhko layi  
Saye se bhi abb
