

Roz shaam aati thi magar aisi na thi
Roz roz ghataa chhaati thi magar aisi na thi
Ye aaj meri zindagi me kaun aa gayaa

Roz shaam aati thi magar aisi na thi
Roz roz ghataa chhaati thi magar aisi na thi

Daali me ye kisakaa haath kare ishaare bulaae mujhe

Jhumati chachal hawaa chhuke tan gudagudaae mujhe
Haule haule dhire dhire koi git mujhako sunaae
Prit man me jagaae
Khuli aankh sapane dikhaae
Dikhaae dikhaae dikhaae
Khuli aankh sapane dikhaae
Ye aaj meri zindagi me kaun aa gayaa

Roz shaam aati thi magar aisi na thi
Roz roz ghataa chhaati thi magar aisi na thi

Aramaanon kaa rang hai jahaan palake uthaati hun mai
Hans hansake hai dekhati jo bhi murat banaati hun mai
Jaise koi mohe chhede dil kho aur bhi jaati hun mai
Jagamagaati hun main
Diwaani hui jaati hun mai
Diwaani diwaani diwaani
Diwaani hui jaati hun mai
Ye aaj meri zindagi me kaun aa gayaa

Roz shaam aati thi magar aisi na thi
Roz roz ghataa chhaati thi magar aisi na thi.
